

Vitamix Commercial

Advance Container

Features

The unique shape and built-in, dripless spout of the Advance Container delivers a faster blend and a smoother pour. 48-ounce for use with The Quiet One®, and Advance® series blenders. 32-ounce for use with T&G2. *Only 48-ounce available for purchase on Vitamix.com

This product is intended for commercial use only.

Durable Materials

Made of BPA-free Eastman® Tritan® copolyester and a hardened stainless-steel blade, the Advance container is built to last.

Removeable Lid

Easily add ingredients while blending to adjust flavor and texture, whether it's a couple more ice cubes or a forgotten fruit.

Improved Efficiency

Every detail of the Advance container is designed to deliver faster drinks, from the shape of its vortex, to its two-prong blade, to its no-drip spout.

Two Sizes

Available in 32- and 48-ounce* capacities to remain compatible with your existing blender. *Only 48-ounce available for purchase on Vitamix.com

Usage

This product is intended for commercial use.
